

## Domain Names Your Address On The Internet

### Building Blocks for Your Online Identity

Establishing your presence on the World Wide Web starts with registering a domain name. Your domain name provides the means for visitors to find your Web site. Hostway owns and operates an ICANN\* accredited domain name registrar. We offer fully featured domain name registration for all domain name extensions such as .com, .net, .org as well as country-specific extensions.

Our domain registration includes:

- > Free parking page
- > Domain forwarding
- > Domain locking
- > Web-based control panel
